Welcome to the RCARC Beacon!!

RCARC Presidents Corner

Going to the Huntsville Hamfest was an uplifting experience. It made ham radio look alive and well. Hams were happy, friendly, spending money, sharing ideas and just having some good fellowship. We saw Cody get his award, but met other youth and their supporters furthering our hobby. The atmosphere was positive. By the time this is written, our local Ten Tech hamfest will have taken place; Oak Ridge is set for October 9 and Chattanooga will be Oct 23. So take part in this celebration of our hobby, shake some hands, meet an old friend or two, trade some stuff or get a new toy.

RCARC Election of Officers 2010

It's not too early to start thinking about who we want to lead RCARC in 2011. December is always the month we elect officers for the club for the following year. If you have an interest in helping to mold and define where RCARC goes then you may be ready to hold a club office. The offices we elect annually are President, Vice President, Secretary and Treasurer. Candidate eligibility is any RCARC Full Member in good standing for 1 year who wishes to run for that office. Holding a club office requires a years commitment and trust. If you think your up to the challenge just ask any of the club officers about it.
